GEASE IS LOOKING FOR YOU!

BECOME A VOLUNTEER AND REALLY MEAN SOMETHING TO YOUNG PEOPLE #WELOVETOLISTEN

At @ease, young people between the ages of 12 and 25 can walk in or chat (without any obligations) to talk about their concerns. Conversation topics can be very different: heartbreak, drug abuse, divorce, bullying, eating habits, study stress, gloom, debt, etc. No matter how big or small the personal questions are: at @ease they can find support. **Anonymously** and for **free**! There is a trained team ready of enthusiastic volunteers (mostly **peers**) and professionals who can respond well to the concerns people have and - if necessary - can help someone (quickly) find the right care outside @ease. At @ease, we believe that no young person should be alone when things are not going well. And we could really use your help with that!

We are looking for volunteers for @ease

For all our locations, we are looking for young people who want to volunteer by offering a listening ear to other young people. Are you a good listener? And would you like to help young people? Then we are looking for you if you:

are between the ages of 16 and 30;

can speak to young people in person and via our online chat at our locations ;

are available at least 2 afternoons per month.

Have you suffered from mental health problems? Your experiences can be very helpful to others.

#FUN #LEARNING #VALUABLE

We offer you:

a fun and sociable (!) team of volunteers and professionals to work with;

a workplace where you will gain experience in listening to and having conversations with young people;

a training and supervision along with fellow volunteers under the guidance of experienced health and welfare professionals;

a workplace where there is plenty of room for your ideas and initiative;

volunteering where you can really mean something to young people.

Are you @ease? Would you like to become a volunteer?

We would like to receive an email with your motivation through the location of your choice. Want more information? Just walk in, call or email .

Check <u>this video</u> from
our volunteers to find out what we do!
